

3rd and 4th Grade BOYS AND GIRLS

Your child is invited to join us in the Cardinal Kid Basketball program this winter. We will be practicing on Sundays due to the available gym time in January and February. Sundays will be spent working on the fundamentals of basketball and scrimmaging. We will also be playing at half-time of the boys and girls high school home basketball games. A detailed game schedule will be handed out after our first practice. The development of a good basketball player starts at a young age. Johannesburg-Lewiston Area Schools has a tradition of excellence in basketball and we are striving to continue this custom. We hope to see your child there! Our first practice will be Sunday January 7th, 2018 from 2 to 4pm in the Johannesburg Gym, we will have a short parent meeting after! Registration forms can be returned to me at the first practice.

Please contact Jessica Crane at 989-390-9208 or Amy Wells at 989-858-0542 if you have any questions.
