M-STEP Testing

Michigan's testing of students academic progress ~ M-STEP and K-2 Early Literacy Benchmark

Assessments, starts next week. I know that families have received a letter about the importance of these tests, but it bears saying one more time. Please ensure that your child is well-rested, has had a good breakfast, and is in school on time during their testing window. We know that children that are placed into a 'make-up' test room do not perform as well as when they are testing with their teacher and classmates. Your child has been working hard to prepare for these tests. Please join us in helping him/her do the very best that they can. We thank you for your support!

Partnering with Parents ~ Homework Tip of the month...

Stay on it!

One has to assume that spring weather is going to come... and actually stay! When that happens, it is hard to keep our kids corralled and vigilant about homework. Please encourage your child to get homework done as soon as they arrive home so that it does not get pushed too far into the evening. (I am using this same thing with my senior daughter... stay on it!)

Upcoming Dates:

- Student Run Credit Union~ Thurs., Apr. 12 and 26 ~ open for student deposits
- Math Night ~ Wed., Apr. 18, 5:00-6:30
- Kindergarten Roundup ~ Fri., April 27
- Looking ahead: Spring program ~ Thurs., May 24, 6:30

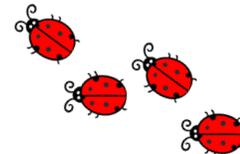

M-Step Testing Dates

3rd: May 16-25

4th: May 8-18

5th: April 18-May 4

National Volunteer Week

Next week is National Volunteer Month. I would just like to pause and thank all of the volunteers that do AMAZING things for our students. These volunteers work for the betterment of our school and students, and deserve a huge thank you. They have decorated, read with students, helped at events, been a volunteer coach or team leader, counted receipts and Box Tops, run the PTO, colored projects, and more. A heartfelt thank you to each and every one of you who have stepped up. Together, we make Lewiston School the place that it is: The Best Place to Learn!
