Hard Work Pays Off

It is hard to imagine that we have almost hit the 1/2 way point of this school year! Wow! It is important for your child to hear the message that they should work hard everyday, put forth effort, and do their best. These attributes go well beyond the classroom and will be the attributes that allow them to achieve in life, because HARD WORK PAYS OFF! Encourage your child to continue to show up and work hard!

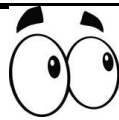

Partnering with Parents ~ Conversations about school~

Send them out the door with a "I can't wait to hear what you learn in math today!" That shows that you are interested in their learning and helps them focus because they know that they will be sharing with you at the end of the day.

Only One YOU!

We are starting off the new year celebrating the uniqueness's that all of us bring to this school. At our Reward Celebration we read *Only One You* by Linda Kranz. In this book there are so many great wisdoms: If you make a wrong turn, circle back. Know when to speak. Know when to listen. And, there's only one you in this great big world, make it a better place.

The illustrations in this book are made with beautifully painted rocks. Later in January we will be hosting a rock painting event. We will paint rocks and keep them until we can build a beautiful rock garden in the spring. There will be information sent home about this event. I hope that you will be able to join us!
