

Welcome JLAS Students!

Breakfast and Lunch are offered at no-charge to JLAS students for the 2021-2022 school year.

(Unless you received a letter stating that you do not need to, please return the completed application for free and reduced-price meals to the school. The meals are offered at no-charge, but we still need applications returned because that does affect school funding, and (if approved) may offer additional benefits to your family outside of the school.)

Extra milk or “Just a Milk” can be purchased for \$.40

(The child must have funds in their lunch account or sufficient cash in hand when buying “just a milk”.)

Ala carte or extra entrée’s may be purchased, if/when offered, for an additional cost if the child has funds in their account or sufficient cash in hand.

Reminder:

Breakfast and lunch offered at no-charge are full meals only; “just a milk” is not free. Charging “just a milk”, extra milk, ala carte food items, and extras is not allowed.

Menus can be found on the school website (jlas.org) and are created monthly following USDA program regulations for healthy meals which include protein, whole grain rich food items, fruits, vegetables, and low-fat milk. We try our best to include healthy foods that kids like and will eat; remember that there is no nutritional value in any food if it remains on a plate, uneaten.

Every effort is being made to follow the posted menu, but we continue to see massive supply chain issues. These issues are beyond our control and may cause our menu to change without notice.

Weather delays and school closings may also affect the menu and cause it to change without notice.

A reminder that breakfast is not offered when school is on a delayed start (ex. 2 hour delay).

**If you have any questions, please contact the JLAS Food Service Department.
We look forward to serving you.**
